

# 7TH PhD SUMMER SCHOOL in

## DISCRETE MATHEMATICS

### ROGLA, SLOVENIA

#### JULY 23 - 29, 2017

#### With Minicourses on

### Topics in Game theory

Vladimir Alexander Gurvich, Rutgers University, NJ, USA and National Research University, Higher School of Economics, Moscow, Russia

### The history of combinatorics

Robin Wilson, Open University, UK

#### Invited Speakers

**Marco Buratti**, Università degli Studi di Perugia, Italy  
**Marston Conder**, University of Auckland, New Zealand  
**György Kiss**, UP & Eötvös Loránd University, Hungary  
**Joy Morris**, University of Lethbridge, Canada  
**Mikhail Muzychuk**, Netanya Academic College, Israel  
**Ilia Ponomarenko**, St. Petersburg Department of V. A. Steklov Institute of Mathematics, Russia  
**Tamás Szőnyi**, Eötvös Loránd University, Hungary

#### Scientific Committee

Klavdija Kutnar  
 Aleksander Malnič  
 Dragan Marušič  
 Štefko Miklavič  
 Tomaž Pisanski  
 Primož Šparl  
 Boris Zgrablić

#### Organizing Committee

Boštjan Frelih  
 Ademir Hujdurović  
 Boštjan Kuzman  
 Rok Požar

#### Organized by

**UP FAMNIT** (University of Primorska, Faculty of Mathematics, Natural Sciences and Information Technologies) and  
**UP IAM** (University of Primorska, Andrej Marušič Institute)

In Collaboration with **CDM ULPEF** (University of Ljubljana, Faculty of Education, Centre for Discrete Mathematics) and Slovenian Discrete and Applied Mathematics Society.

<http://conferences.famnit.upr.si/e/rogl2017>

Sponsored by ARRS (Slovenian Research Agency) and MIZS (Ministry of Education, Science and Sport).
